Reasons for Recommendation (you **MUST** complete this field, please include as much info as possible): We are very happy and impressed with the service provided. Owen Care are a reputable company, big enough to be professional, yet small enough to be personable and friendly. They have provided a very good standard of care to our 90yr old mother and also been especially proactive and attentive in making sure all her needs are met ie nursing, personal and social. All in all we would wholeheartedly recommend them.
